PRESS RELEASE

**Your Excellencies and Excellencies of Diplomatic Corps,
Economic Operators, Economic Advisors, Commercial Attaches,
Gentlemen of the Press, Ladies and gentlemen**

- **Presentation of CRCI Africa**
- **Presentation of Finance Opportunities through RK B.O.T PROGRAM
By Chairman of CRCI Africa**

CRCI is an international consultancy firm specializing in how to invest and do successful business in Africa while minimizing risk. CRCI houses technical experts and practitioners with extensive knowledge and experience in international trade and investment business and consulting, with particular emphasis on Africa. CRCI professionals are able to navigate through the rules and regulations of African countries to uncover hidden investment opportunities. We facilitate trade and investment missions, roundtable meetings, forums, and partnership building with high level country officials to benefit the private sector.

CRCI seeks to develop constructive dialogue on important policies and practices. We conduct objective research on key issues, and call for the adoption of best practices and policy reforms that improve economic growth and food security among the rural poor in Africa. CRCI searches for humanitarian aids to sustain economic development and infrastructure projects. We encourage joint-venture partnership with the African private sector, Governments and municipalities worldwide.

CRCI is committed to increasing the level and effectiveness of public and private investment in sustainable development in Africa. The professionals at CRCI know how to bridge cultural gaps through respect and understanding of the customs and cultures that define the people of the world. With access to and contacts in many networks, CRCI is your liaison to world industries through trade and investment missions.

CRCI is not a banking entity or broker. It is a facilitator. CRCI combines international experience and contacts with its own creativity to structure high return deals. We are a formidable force in the market, and are able to source the funds needed to realize any public or private sector project.

We are hereby honoured to inform you that once a month we will present finance business opportunities through the RK B.O.T PROGRAM. We think it will be good to keep you abreast of these finance opportunities to our Government and Executive Business Leaders.

**We, CRCI, in collaboration with our Financial Partners have chosen the date of -----
-----, 2014, in respect of the Agenda of CRCI to organize our first luncheon to support the development of African Private Sector, and encourage all members of the African Private Sector in the entire continent of Africa and those in the Diaspora to be part of the decision-making process to actively contribute to the economic development of our beautiful continent.**

It will also help support the realization of big projects, because with this, we are strongly convinced that if each family has minimum (job, house, food, assured schools for children, medical, water, electricity, mass transit transport), we will **achieve Peace / Economics Growth / Stability / Security.**

The first US-Africa Summit has given Africa the opportunities to explore more businesses. We are here to assist in exploring these opportunities. We can assure this liaison through our International TEAM based in the United States of America, International CRCI Chairman Dr. Jeanne Marie Col, Ph.D., Compton BEATON, Chief Operation Officer of CRCI INTERNATIONAL, Dr. ALLEN F. ROSS, Finance Director in charge of Managing CRCI Funds and the Jewel of Africa.

AGENDA

PRESS RELEASE & AGENDA
Executive Business Leaders Roundtable Meeting
« VISION AND LEADERSHIP FOR THE AFRICAN PRIVATE SECTOR »

Partnering with CRCI AFRICA as an event sponsor is a powerful way to place your company's name and sales message in front of a captive audience of Executive Business Leaders, entrepreneurs, professionals and government officials, and elevate brand awareness.

By sponsoring CRCI AFRICA events, your company is presented as an engaged thought leader on key issues pertaining to Africa's economic growth, investment and commercial landscape.

When you sponsor a CRCI AFRICA event:

Your company's name and logo credits appear in all of the event's marketing and media associated with the event: advertisement, invitation, e-blast, press release;

A special press release is created and distributed announcing your company as a sponsor;

Your company's brochure and other sales and marketing material are distributed at the event;

Prominent placement of signage at the event is reserved for your company;

Your company's representative is given the opportunity to speak at the event;

Your company's representatives are given photo opportunities with VIPs attending the event;

Your company receives post-event contact information on attendees.

Please visit CRCI AFRICA web site for our upcoming events Executive Business Leaders Roundtable Meeting that we are planning to hold every month, including conferences and Trade & Investment Mission.
